

What a privilege.

Governor's Message

For the last two years, it has been my distinct honor to serve as the Governor of Barboursville Moose Lodge 2586. I went into the role thinking I would enjoy it. But I was wrong. I absolutely adored it.

There were highs and lows, of course, just as there are with any business. But the lows were few. The positives far out-weighted the negatives.

It was a very successful two years for our lodge – both financially and with many upgrades to our social quarters, big event room, kitchen, attic and smoking room.

I am proud of that.

But I am prouder still of our members and board of officers that made all these improvements possible. A lodge is only as successful as its membership allows it to be. And I am proud to say Lodge 2586 is extremely successful.

Again, thank you for the privilege of being your Governor for the last two years. I always will cherish that honor.

Your Governor,
Chuck

In Coming Senior Regents Message

As the new year for officers begins, I look forward to being the new Senior Regent for the Barboursville Moose Chapter 2223 and to seeing each of you in the social quarters and at our meeting on the second and fourth week of each month.

The best part of this lodge is the wonderful people here and all of the local charities we support in this community, along with the kids of MooseHeart and the seniors at MooseHaven. I am proud to be part of your family.

If you know of any local charities in need, please help us to include them in our upcoming community projects.

So, please include us in your summer plans this year. We have exciting events in the planning and look forward to seeing you there.

And this year I encourage you to come to the meetings so that together we can continue the success of the Barboursville Moose Lodge 2586 and Barboursville Moose Chapter 2223.

Looking forward to this year,

Fraternally yours,

Teresa Beter
